

THE GOVERNMENT OF THE REPUBLIC OF THE UNION OF MYANMAR

MINISTRY OF HEALTH

**Announcement of lifting precautionary restrictions for travellers
from the United Kingdom of Great Britain and Northern Ireland visiting
Myanmar**

31st August 2021

1. The Ministry of Health has imposed the temporary travel restrictions on residents of the United Kingdom of Great Britain and Northern Ireland and travelers who had visited the United Kingdom of Great Britain and Northern Ireland during the last 14 days, from visiting Myanmar as precautionary measures to control and limit the risk of transmission of the new SARS-CoV-2 variant to Myanmar on 31st December 2020.
2. The Ministry of Health is continuously monitoring the global epidemiological situation on COVID-19 and it is found that COVID-19 situation becomes stable as well as COVID-19 vaccination coverage in the United Kingdom of Great Britain and Northern Ireland is remarkably high.
3. Therefore, the Ministry of Health will lift temporary ban on residents of the United Kingdom of Great Britain and Northern Ireland and travelers who had visited the United Kingdom of Great Britain and Northern Ireland during the last 14 days, from visiting Myanmar. The measure will take effect starting from 31st August 2021, *2359 hours* MST.
